Dear Sir:

The following is a clean version of the allowed claim submitted in the amendment which was timely sent by first class on December 20, 2005 to the United States Patent and Trademark Office (USPTO) in response to the Office Action dated September 20, 2005. Applicants were informed by Examiner Hardee that application was in condition for allowance except that the amendment as submitted with hand written mark-ups would not be scannable for printing and in view of these comments Applicants have provided a clean listing of the Claims. If any charges are incurred by the filing of these papers the Examiner is authorized to charge Deposit Account 12-1295.

Attached is a clean version of the listing of the Allowed Claim.
